

VEGA DEL ORIGON GRAN RESERVA

Denomination Terra Alta Designation of Origin	Presentation 750 ML per bottle
Varieties Garnacha Syrah	Alcohol 13% Vol

WINEMAKING PROCESS

Terra Alta Designation of Origin is located inland to the south – west of Tarragona, delimited by mountains and the Ebro River. The altitude ranges between 350 and 500 meters.

Its climate is Mediterranean with continental influences tempered with Cierzo and Abrego winds and a very low rainfall. The landscape is very rugged with clay – textured calcareous soils

This wine is made from Grenache and Syrah varieties. Each variety is fermented separately on their own skins in stainless steel tanks at a controlled temperature of 22-24 °C. After the coupage this wine is aged in American and French oak barrels for 30 months and ends its vintage in bottle until it acquires its exceptional bouquet

TASTING NOTES

Appearance: ruby red colour with garnet tones

Nose: its aroma is intense and reminds ripe red fruits, cacao and vanilla.

Palate: In the mouth is powerful, mineral and full-bodied. Thanks to its elaboration process, this wine has a perfect balance between fruit and its tannins.

		
Tipo envase Bordsalesa Reserva	Unidades por caja 6	Unidades por palet 750
Capacidad 750ml	Dimensiones caja Anchura: 252 mm Altura: 305 mm Profundidad: 154 mm	Medidas del palet Anchura: 1.2 m Altura: 1.68 m Profundidad: 0.80 m
